Carl & Joyce Main, Luke AFB Ministries, Phoenix AZ Last month we reflected on our purpose, reviewed our goals, established our priorities, and sketched our plans. "In his heart a man plans his course, but the LORD determines his steps." We now press on, serving the

military community at Luke AFB through ministries of hospitality and service as you help us by your prayers. www.cadence.org/main-carl

Mike Martin, Shalom House, Camp Casey, South Korea Please pray for physical healing and spiritual growth for Matt, home with his wife Kayla, who has had spinal surgery. Pray that the soldiers and spouses who helped us on an outreach to Seoul's homeless will abound in good works to the needy around them. Justin is in the field for 50 days of training and needs spiritual support. I thank God for our strong friendship. Pray that David, my former co-worker, will find a ministry that will engage his skills and abilities. Finally, my support is low enough that I may have to return to the U.S. this year. Please pray that I may stay here. www.cadence.org/martin
