**Jeff & Julie Shackelford, Partnership Development, Gresham OR** We thank the Lord for the very positive contacts we have had with several people at recent services and missions conferences. ### Week of January 8

**Lou & Cathy Rozmiarek, Kaiserslautern Hospitality House, Kaiserslautern, Germany** Please continue to keep Cathy's family in your prayers. It has been three months since her 18-year-old niece, Jessica, went to be with the Lord. The Lord has been faithful to begin the healing process. Although the holidays were hard, God brought times of joy and laughter. Pray specifically for Rich (Cathy's brother) and Rhonda as they continue to deal with life without their only child. [www.cadence.org/rozmiarek](http://www.cadence.org/rozmiarek)

**Laurel Hoyt, Ministry to Women in Uniform, Grafenwoehr, Germany** I am starting a Bible study for the single gals here. We'll be looking at the life of Jesus while also learning basic Bible study methods. Please pray these women will commit to coming and not allow other things in work and life to crowd out time for this. Also pray that their hearts and lives will be changed as they interact with God's Word. [www.cadence.org/hoyt](http://www.cadence.org/hoyt)

**Jennessa Randall, Cadence Student Ministries (CSM), Kaiserslautern, Germany** This is our last month for students to sign up for middle school camp in February. Please pray that students will invite their friends. Pray for the final preparations and that we are granted all the necessary clearances to have the camp. Pray for our speaker, Mark Wilson, as he finishes preparing his talks. [www.cadence.org/randall](http://www.cadence.org/randall)

**Ralph & Betty Camp, Ambassadors, Reno NV.** Please pray for our daughter Jenni as she continues to recover from several strokes and adjust to life at home. With our help she hopes to resume home schooling this month. Thank you for your prayers for her restoration. She still has a lot to relearn, but God is strengthening her. [www.cadence.org/camp](http://www.cadence.org/camp)

**Mark & Jen Oshman, The Harbor, Okinawa, Japan** The Harbor building is in need of some significant repairs and renovations. We are blessed to be the oldest ministry location in Cadence that is open! This building has been a light to the military for almost 60 years! We thank God for the good stewardship of past missionaries and we are asking Him to raise up the people, contractors, and funding to do

the work needed to ensure The Harbor will stay open for generations to come. Please pray that 2012 will be a year of rebuilding and refreshing for both this structure and the community. [www.cadence.org/oshman](http://www.cadence.org/oshman)
