□ **10/1 Rob & Karen Hampton, Vicenza HH, Italy** We arrived in the States in September and will be here until the end of October. Pray for Eric, an army medic, as he begins his new life in Christ. He expects to deploy soon to the Middle East; pray he will find support to grow in his faith. Praise God and ask His blessing for those who continue the normal activities at the House in our absence: Steve and Teeter Mauldin, Kevin T., Kevin S., Justin, Richard, Angie, Ahava, and others. Many House members will deploy for war again soon. Pray our new arrivals find a warm welcome at the House. [www.cadence.org/hampton](http://www.cadence.org/hampton)

□ **10/2 Larry & Linda Ingalls, Home Assignment, Aurora CO** Larry is on the road again for 5-6 weeks throughout the southeast region of the U.S., conducting support raising meetings. Ask the Lord to provide the remaining \$2,100 needed in monthly support by the end of this trip so we can move to Fort Riley, Kansas, and open a new hospitality house ministry for those soldiers. Also, please pray for safety and no car troubles for Larry as he travels. His latest estimate is that he will cover about 6,000 miles on this particular trip. □ **10/3 Paul & Stacy Cassidy, Home Port, Aiea HI** Pray for our yard sale today as we raise funds to help offset medical costs for Dan and Barb Evans. Pray, also, for a new ministry opportunity at Fort Shafter Army Base here on Oahu. We have been asked to help with a new Christian coffee house. Thank you! □ **10/4 Dan & Barb Evans, Elmendorf AFB AK** Barb has been diagnosed with a very aggressive brain cancer which has changed our lives entirely. Please pray for her health, for the chemo and radiation treatments, for Dan as he manages the needs of his wife, children, and himself. Many in our community are struggling to handle this news. There are questions, sorrows, and lots of different ways to process it all. Please remember the entire Mountain Chapel Hospitality House family in your prayers. We have been truly blessed by our family, friends, local community, and people around the world during this trying time. [www.cadence.org/evans](http://www.cadence.org/evans)

□ **10/5 Wes & Elaine Auldridge, Fort Richardson/Elmendorf AFB AK** Please pray for us as we support the Evans family during Barb's battle with cancer and continue the ministry. We were practically out the door, headed for England, but trust that God has placed us here specifically for this time—it is a privilege to be here and serve our dear friends. We hope to relocate much of the hospitality house ministry to our new home. We have many days filled with sorrow, trial, and disappointment, but others filled with joy, hope, and fun. □ **10/6 John & Joan Hobson, Ambassadors/Short Term Intermittent, Fellowship Ranch MO** We are at Fellowship Ranch, assisting Frank and Ruth Ann Branham with the retreat ministry this month. Pray with us for full retreats and for many soldiers to trust Christ as their Savior through this retreat ministry. [www.cadence.org/hobson](http://www.cadence.org/hobson)

□ **10/7 Mark & Mary Fischer, Fort Hood Ministries, Copperas Cove TX** Chris recently arrived at Fort Hood from Fort Huachuca. I have been meeting with him for Bible study before he joins his unit in October. Pray that he will build biblical truth into other soldiers' lives. Also, pray for God to use a weekly Hanger Bible study to ground 4th ID Air Assault soldiers in their faith. Chaplain Mark Olson led many to faith in Christ during their recent deployment! □ **10/8 Laurel Hoyt, Single Women's Ministry, Grafenwoehr, Germany** October 9-12, I have an outreach trip for the ladies here. We are going to Vienna. Please pray for good relationships to be established with the women who come and that the Lord would open the door for many spiritual conversations. [www.cadence.org/hoyt](http://www.cadence.org/hoyt)

□ **10/9 Ray & Jan Schmautz, Partnership Development, Fountain Valley CA** Jan and I are planning three trips to communicate our ministry with potential partners. Please pray for our trips to Santa Barbara, San Diego, northern California, and Oregon in the next couple of months. Our needs are for the build-up of Jan's vacation time, so we don't lose pay, and for the right dates to maximize the attendance of contacts. God bless you. □ **10/10 Michael Martin, Soldiers' HH, Killeen TX** I have four young men in a study on Thursdays (apologetics) and am challenging them to become more intentional about evangelism among their friends and casual acquaintances, passing on their hope and confidence in the gospel of Christ.

Also, I am a month into teaching Galatians with another (younger) Christian at church. I ask for God's wisdom as I try to maintain a healthy balance among four "classes" a week and having enough "hang time" with those available for meaningful relationships. [www.cadence.org/martin](http://www.cadence.org/martin)

□ **10/11 Peter & Anastasia Remmes, Director of Advancement, Headquarters, Englewood CO** Pray for the Denver "Fortressing Families" event on October 17th, that we would fill our tables and that the hearts of many will be moved to partner with Cadence in ministering to the military. [www.cadence.org/remmes](http://www.cadence.org/remmes)

□ **10/12 Ron & Pam Weinzapfel, Victory Ranch/Fort Jackson SC** Ask the Lord to provide direction and funds as the Ranch requires quite a bit of funding to keep up with all of the repairs. The needs are great this month and next to reroof the trailer and repair the wood and paint the barn before the heavy rains of winter. We praise the Lord for ministry to AIT soldiers, chaplain candidates, and senior chaplains. Many have received Christ as Savior and even more have rededicated their lives to Christ. It is a privilege to be part of His Kingdom work. [www.cadence.org/weinzapfel](http://www.cadence.org/weinzapfel)

□ **10/13 Bob & Annie Miller, Fort Jackson SC** As Chapel Next moves, there are no classrooms in the new location large enough to accommodate the Bible studies. Soldiers are professing their faith in Christ, strengthening their spiritual walks, and sharing with others. It is so exciting to see their growth, but please pray for a solution to this problem. The classrooms we have been assigned are over a half-mile from the chapel. [www.cadence.org/miller-robort](http://www.cadence.org/miller-robort)

[www.cadence.org/rozmiarek](http://www.cadence.org/rozmiarek)
